This sign is still down? I was told 9 days ago it would be taken care of. I sent a new email to the field crew, but it should have been handled

Dear Chris:

I know that I have already report this to LADOT; however the stop sign is still at the north west corner of Santa Monica and McCadden and has not been picked up by LADOT. Additionally the metal pole at the base is exposed on the sidewalk area and poses a trip hazard. Please instruct the crew to pick up the abandoned sign and mark the trip hazard until the replacement stop sign has been installed.

Thank you for your assistance.
